"The leader sees things through the eyes of his followers. He puts himself in their shoes and helps them make their dreams come true. The leader does not say, "Get going!" Instead he says, "Let's go!" and leads the way. He does not walk behind with a whip; he is out in front with a banner." ~ Wilfred Peterson, The Art of Living

T.A.S.K. Live!

"I just wanted to stop and thank you for sharing your success with me. The information you taught us a Task Live is immeasurable. You told me personally that I had to change my way of thinking and while it was hard to hear you were right. Besides the $3200 I made while at Task Live just by talking to you, I have since made 100's more. I just made another $838 before commission which prompted me to stop and give thanks. So THANK YOU!!! I have so much more to learn and to perfect but I am clearly on my way thanks to you Tammy (and Katie) and TASK LIVE!!!!"
