*"The leader sees things through the eyes of his followers. He puts himself in their shoes and helps them make their dreams come true. The leader does not say, "Get going!" Instead he says, "Let's go!" and leads the way. He does not walk behind with a whip; he is out in front with a banner." ~ Wilfred Peterson, The Art of Living*

*"I have taking travel training, seminars in the past but TASK live with Tammy is incomparable. I highly recommend this class to any travel agents whether you are new or in business for years. This training will take your business to another different level. I love Tammy because she is open, honest, down to earth and fun to be around."*

~ Dominique Michel

*"Truly enjoyed Task and being an old time (40+) years in the business may I say that TASK has been absolutely hands down the best investment of my travel career! Tammy provides so much insight to the travel industry well worth the time invested. I highly recommend attending her trainings."*
